Details of Distinction

Cheery lemon colored gingham was woven through the details of the décor to bring about a darling country chic sensibility.

THE INTRODUCTION Sometimes all you need is chocolate pie and a parking lot to be happy... and, of course, an engagement ring. This was how Ryan, a sales manager, proposed to Peggy, a kindergarten teacher, in the parking lot of the Madonna Inn in San Luis Obispo. The couple's blissful simplicity also influenced their down-to-earth wedding theme, which took advantage of the natural beauty of summer and the outdoors. However, Peggy and Ryan didn't even need this scenic stage for their nuptials, which they expressed through their professional song "All You Need Is Love."
